## Planning already underway for April, 2013, Swap Meet

By Robin Will

Thanksgiving hadn't yet come and gone, and already CPPC's Board was talking about the Swap Meet that will roll out on April 5-6-7, 2013.

We're starting with two goals: (1) be really, *really*, prepared for the next Swap Meet, and (2) evaluate the effort the club puts into this event, as compared to its effectiveness as a fundraiser, before we decide to do it again.

A number of things went very well in 2012. Visibility wasn't a problem: between the club's new banners and Marlo Edman's kiosk that put the Plymouth logo 20-plus feet in the air, we weren't hard to find.

Membership activity was strong in 2012. We had materials at the ready, and whenever a visitor expressed an interest, there was someone on hand to reel them in. The booth was well-staffed, and between the folks who signed up for Swap Meet duty, and the members who dropped by to hang out, we had great deal of knowledge on tap. Visitors who stopped out of curiosity, to reminisce about grandpa's Plymouth,

or to ask a question about restoration, left with spare newsletters and membership applications in hand. Good show!

We also sold a promising amount of stuff – here's where the "evaluation" comes in – which is remarkable, considering that some of our inventory was never unpacked and displayed!

Gary Rusher summed things up succinctly: the vendors who were serious about selling were not making potential buyers rummage through boxes or look under tables. Their inventory was clean, adequately displayed, identified, and tagged with a suggested price.

This year, we're taking the "serious about selling" observation to heart. CPPC'S Tech Committee, and other in-

### Potluck, bingo & prizes on agenda for CPPC's gathering, November 27

The Cascade Pacific Plymouth Club's traditional year-end meeting will begin at 6:30PM on November 27.

Food will be the first item on the agenda, followed by an abbreviated business meeting, and ending with Bingo and prizes.

We'll be electing the officers who will lead the club through 2013, and talking about club activities for the new season.

Donna Bade is coordinating the potluck this year.

Anyone who hasn't already signed up to bring something should bring either a hot dish, salad, or dessert. The club will be providing the sliced ham and beverages. We hope to see you all there!

Interested parties, will gather on January 19, 10:00AM at Gary Rusher's shop, to clean and tag the marketable items in the club inventory, and recycle the rest. This would also be a good time to bring items you intend to donate to the Swap Meet effort. Phone Gary Rusher or Chuck Willis for details.

**One specific request came out of early planning. Gary Rusher recalls hearing second- or third-hand about someone who buys publications in bulk. We need to contact that person to look at CPPC's inventory of magazines, which may otherwise be recycled due to lack of interest. Let us know!**

One early decision is that the consignment process worked well, and we'll be doing that again for members with large items they'd like to sell.

Otherwise, discussions have been mostly about attitude. We're serious about selling, and watchful about our results. Stay tuned.

## Dues are Due!

*CPPC's dues are for the calendar year, which is ending soon. Remember that we just voted to increase dues to \$25 per family per year.*

*Avoid lots of tedious reminders, and plan to pay your club dues at the November meeting!*

**NEXT CPPC MEETING IS  
TUESDAY, NOV. 27<sup>TH</sup>**

**SHINE UP YOUR CAR  
AND JOIN US!**

## Meeting highlights from October

#### Vendor Rates:

\$25.00 for 11 issues, 3.5" x 2"  
Advertisements should be Plymouth-related services.

#### Condensed from minutes taken by Donna Bade

Cascade Pacific Plymouth® Club met on October 23, 2012 at the Clackamas Community Club. The business meeting began at 7:00 p.m. Bob Westphal, President, presided. Donna Bade recorded the minutes.

The physical count was 46 members in attendance. LaDonna Weedman was a guest.

**Refreshments:** Thank you goes to Gary and Vera Rusher.

**Guest Speakers:** Alex Domingo and Micky Chapin of RapidMade talked about the business of digital fabrication; scanning and reproducing objects digitally. There were many questions asked by the membership about the process, time involved and pricing. Hopefully this will give our members another place to go when they need to find a part they need.

**Treasurer's Report:** Dolores Call reported the current bank balance, and the report was approved as submitted. She said that we paid \$325.00 for the Independence Cruise-In for 2013. The money is for cleaning deposit and application to use the park for next year.

**New Business:** Bob Westphal mentioned that Russ Ashley accepted the new position of Sergeant of Arms.

Jeanette Dimick asked the membership if 1/3 of the 50/50 pot could go to help the cause of "Clothing for the Homeless". A motion was made, seconded and passed that 1/3 of the collection of the 50/50 pot would go to this charity for both the months of October and November.

**Newsletter/Website:** Robin Will reported that in September, the web site got 527 hits and so far in October there have been 420. Information about the National POC Meet is on our web site.

Robin mentioned that our October newsletter had seven different members bylines in it. That makes us look really good as a club.

**Membership:** Please contact Robin if you have any new ideas to attract new members to our club. At the last board meeting, Bill Call's "Wanted" posters will be revived for members to use for recruiting. The board will be looking at

the calendar for next year to see where the best opportunities would be to try to recruit new members.

**Member Care:** Article, page 6. Lorraine brought a few "Get Well" cards to tonight's meeting so members could sign them and wish others a speedy recovery.

**Mayflower Tours:** Hoover-Minthorn House in Newberg, November 7 (article page 5).

Joyce Catt has organized the December 10, activity at Albertina Kerrs. (Article, page 5).

**Upcoming Events:** Donna Bade passed around a clip board for members to sign up to bring either a hot dish, salad, or dessert to the Thanksgiving potluck at our next meeting. The club will provide ham and Donna will cook it before the meeting.

**Roy Asbahr's Garage** on November 3. Chuck Willis is the host. (Article, page 4).

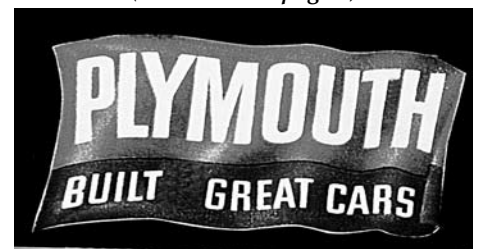

Joanne Dixon thanked everyone for attending Beaches. Everyone at the meeting agreed that the last Wednesday of September the CPPC should continue to be the featured car club for Beaches.

**Past Activities:** Lorraine Griffey thanked Mike and Donna Bade for organizing the last tour to Lemay, America's Car Museum. There were 30 people in attendance.

Another thank you goes to a Tacoma member, John Squires who shuttled people that had a difficult time walking to and from the museum. Donna brought a card for the members to sign to thank him personally.

**Board Report:** Mike Bade reported that the Cruise-In committee met down in Woodburn with Debbie Bach of Independence. August 17, has been chosen for the 2013 Cruise-in and Gary got the date in the yellow book of 2013 activi-

(continued on page 5)

# The Steering Column, A Message from the President

This year has gone by much too quickly and CPPC's last club tour of the year, Roy Asbahr's Garage, is history. 2012 was a great year for CPPC members who attended the numerous shows, tours, and our first Central Lions Club Cruise In. Over this past year I have enjoyed getting to know many of you and to serve as the CPPC President. There are still some club members that I'm not acquainted with as yet. I tend to be on the shy side so please introduce yourself when the opportunity arises.

I look forward to an even better and more eventful 2013. During my first year as President of CPPC, the Board has made some changes concerning the number of Board members and in the wording of several Articles in the CPPC Bylaws. The Board has felt that these changes would be of benefit to the operation of the club. Interestingly, after we received a copy of the POC's Constitution: "Art. VI. Officers and Their Election", the changes that were made put us right in line with the POC's Constitution.

Anyone who has an idea or issue

they would like to bring before the Board, please contact Marlo Edman, your Member at Large. It is his position on the Board to represent club members. Also, we encourage any and all club members, who wish, to attend the Board meetings. Your in-put is valuable to the club's interests.

Winter is the time to start that next project on that never finished car in the garage. I personally encourage you to contact the Tech. Committee so that your project can be completed sooner than you could do on your own. Helping each other is one of the major purposes of this club.

Thanks to the Tech Committee my own Plymouth now is ready for a long list of things to be done by next summer. I finally have the rear seat springs ready to upholster. New door panels are also on list along with a slant 6 and automatic tranny, new exhaust system and a newly painted engine bay.

The Holiday season is in the air. The Thanksgiving tradition of family get-togethers, overstuffed tummies and left-over turkey sandwiches is just about gone. Christmas feel-good movies are being aired on TV and the radio stations are starting to play the

music of the season. Now is the time for the guys to put a bug in their wife's and kid's ears about that cool tool or coveted car part they would like for Christmas.

Happy Touring, a very Merry Christmas and a Happy New Year!!  
Bob Westphal

## Jeannette reports on warm feelings for the holidays

Last month at meeting you very generously donated new items for the Veterans and Downtown Chapel Homeless Shelter, where so many have so little.

Blankets, hats and socks and when I suggested cash also accepted, many were very generous. I was able to buy 15 packages of mens briefs and more socks, spending the \$63 donation.

Still need gently used warm clothing. Bob and I got VERY lucky at a recent barn sale, we will share our "take" with you at meeting..

We also have a Surprise item to auction at the meeting, car club related!

So, see you Nov 27th! Bob and Jeannette Dimick bjdimmick@q.com 360-885-1113

## CPPC member Chuck Hamaker passes on September 3

ABOVE: Chuck and Susi Hamaker with their 1939 Plymouth Convertible.

CPPC member Chuck Hamaker, a Plymouth collector & seller of vintage Mopar parts for many years, passed away on Nov. 3rd in Seattle. He was 74 & had survived 18 years of cancer.

Chuck was a '39 Plymouth fan, owning two convertibles, one a driver & one project. He also had a '49 Plym convertible in his garage for the past 30 yrs., along with many other items from his Mopar parts business.

Chuck started collecting back in 1968, when he purchased a complete inventory of a former DeSoto dealer in Mt. Vernon, WA. He was fixture at the Main Hall of the Portland Swap Meet over the years & enjoyed meeting fellow collectors & friends there.

Chuck is survived by his wife, Susi & 5 children in the Seattle area.

## Tech tips about freeze plugs: When you're hot, you're hot

By Pat Brost

The 1933 & '34 Plymouth engine blocks have 3 freeze plugs, and the 1935 and later blocks have 5 plugs, due to the full waterjacket. These are supposed to be forced out if you forgot antifreeze and the coolant freezes.

Unfortunately, they sometimes decide to exit the block on their own, on a nice sunny day when you're going for a drive in the country.

I have a 1956 block in my '33 convertible, and have had two of the plugs come out in the last couple of years.

### Tom Fox' '59 Fury recognized at Beaches Sept. 26 gathering

We don't know how we missed it, but Tom Fox was in the Winners' Circle at Beaches Cruise-In on September 26, along with two other CPPC cars. Tom send this note: "Hi Robin, Please add my Fury to the list of winners at the Beaches Cruise-In. They didn't park my car with the others because it was so close to the stage. I received two T shirts and this chair. Please tell the membership at the meeting."

### Big street rod event at Clark County Fairgrounds in June, 2013

The National Street Rod Association is returning to the northwest June 27, 28, 29, and 30th, 2013. After an absence of eleven years, the event will return to the Clark County Event Center, at Ridgefield, Washington. The event is open to cars 30 years old and older. For more information, call Mike Chrispyn, the event director, at 574-326-6134, or CPPC member Don Amundson, 253 839-1045.

When the first one popped out, it was at night, and I tried to get as close to home as possible. In doing so, I ruined my temperature gauge. The large copper band in the back of the gauge (it has a name that escapes me) was damaged, and new ones are not available. I had a spare, and Bruce at Abbott Instrument was able to repair the gauge.

The second time a plug blew out, I pulled over and called a tow truck.

I have decided to replace all five of these plugs with the later ones that have a nut to tighten them. (NAPA part #600-4006.) While I had this done, I decided to replace the oil breather cap, also. This seems to be hard to find, so I could one that is close and looks good

– NAPA part #703-1707.

The distributor-body-to-engine-block seal is cork, and probably only comes in an engine rebuild kit. It was broken in several pieces, and I found an "O" ring that fits tight but works. Seal Source in Portland has them: #MORN02500050 25mm I.D. x 5mm thick. They have a ten dollar minimum, so I have 9 spares. See me if you need one.

While I had all five freeze plugs removed and the starter, distributor, oil cap & pipe, and generator removed, I also flushed the block to remove any sludge lurking in the bottom corners of the water jacket.

Stay cool, my friends!

### Asbahr garage tour draws 15 CPPC members

By Stephanie Willis

*(Editor's note: Roy and Beverly Asbahr are gracious hosts, and the car collection is dazzling, but due to security concerns, they request that we don't publish photos.)*

We had a very nice time at Roy and Beverly's house. We were greeted at the service station with hot coffee and cookies, yum. The service station was full of memorabilia from the 30's through the 50's. We then went onto the dealership floor and saw their beautiful collection of cars. They were

*(continued on page 6)*

*On the road again: one thing after another kept Chuck and Stephanie Willis' 1939 Plymouth coupe in the garage this year, but things finally came together for the Asbahr garage tour on November 3.*

#### Cascade Pacific Plymouth Club Technical Committee 2012

## Newberg's Hoover-Minthorn House is Mayflowers' November destination

Above: Mayflowers visited the boyhood home of President Herbert Hoover, in Newberg, on November 7, 2012.  
Below: an oil painting of the Hoover-Minthorn House.

Right: an ornate wood-stove and (far right) a cozy parlor scene show the state-of-the-art in comfort and entertainment in Oregon homes at the turn of the last century.

By Dave and Mindy Benfield

On November 7th a group of Mayflowers spent a rewarding afternoon of good food, good fellowship, and interesting historical exposition. Ten of us met at the Newberg Lil' Cooperstown for lunch and then toured the Hoover-Minthorn House. It was the childhood home of Herbert Hoover, our 31st U. S. President, from 1885 to 1889. Gordon Hall was our tour guide. His vast knowledge, great respect, and enthusiasm for the subject made for a very informative and entertaining guided tour.

# MAYFLOWERS

The Mayflowers' entire purpose is to get out and visit interesting people and places in the Pacific Northwest. Everyone is free to join in.

## December 12 (Monday) – lunch at Albertina Kerrs

By Joyce Catt

The Mayflowers have arranged to dine at Albertina's on Monday, December 10th. The restaurant was formerly the Albertina Kerr Nursery, a home for children awaiting adoption or in need of a temporary home. It's establishment is the result of the work and concern of Alexander Kerr, developer and manufacturer of Kerr jars and lids. Named in the memory of his wife, the nursery operated from 1921 to 1967. After restoration, the building became home to a restaurant, gift shop, and a high end re-sale shop managed and operated by volunteers. Profits are donated to support young people and families.

A room has been reserved for Mayflower and Plymouth Club Members, with the maximum of 30 in attendance.

There is still seating for more people at the luncheon at Albertina's on December 10th. We will have our own room from 10:00 AM until 2:00 PM, with coffee hour at 10:00, lunch at 11:00, and extra time for socializing or shopping at the gift shop or unique consignment shop.

\$20. per person includes tip and everything else. Albertina's has asked that payment be made in cash, rather than credit card. Joyce Catt and Nancy Connor will collect the money at the luncheon.

Be sure to sign up at the November meeting. Questions? Call Joyce Catt at 360-896-6694, or Nancy Connor at 360-573-2156.

## Membership minutes, continued

ties. There is a lot of potential for growth next year and we are hoping for more support from the Lions next year.

Don Hufschmid reported on behalf of the board appointed nominating committee. Moved, seconded, passed: make elected officers' terms last two years, retroactive to 2012.

**Tech Committee:** The committee was at Bob Westphal's this month.

**Other Business, Jackets:** Joey Jones a new member offered to have jackets and hats embroidered. We hope to get orders to him soon.

Don Hufschmid gave \$100.00 to Dolores, from Mike Leidig, who purchased the car that Jeff Jolly had donated to the club. There was no car quiz.

**Raffle:** Winners of the raffle prizes were Patty Brost, Jerry Dixon, Stephanie Willis and Marlo Edman.

**50/50:** Gary Rusher won the \$28.00 part of the \$84.00 pot. \$28.00 went to Jeanette Dimick for Clothing for the Homeless and \$28.00 went to the club.

## BODY SHOP & REPAIRS

Please keep Lorraine Griffey updated about club members who need cards, letters, or phone calls. That's [lorrainegriffey@yahoo.com](mailto:lorrainegriffey@yahoo.com), or 503-666-2222.

This is the month for some good news, about time for some of our folks.

Gary Rusher is active with his therapy following ankle surgery, which isn't easy, but doing much better. Hope to see him walking really well very soon.

Marcia Wessitsh has one of the most positive attitudes around. Since her car accident she hasn't healed well enough to be able to put pressure on the leg to start therapy, another couple of weeks to see the doctor, but they are getting out with a wheelchair to go out to eat a couple of times a week. She has really appreciated the cards and support from CPPC friends.

Greg Pierce reports that he is feeling great, especially since his daughter, Dr. Mary Pierce, Penn State Professor has received special recognition for a research publication and has invited her Dad to join her in special recognition at a tailgate party and seating with the Penn State President next week at the football game.

Yvonne Westphal had laproscopic surgery on some vertebrae and is actually walking normal these days.

Don Osias and Josee Stewart just got back from a wonderful trip to England to visit Don's ancestors and stayed in a former family castle, then visited Josee's family in France. They won't be joining us at the potluck as Josee is flying to Las Vegas to paint a mural on a wall in her brother's home there. Didn't know she was an artist!

Pat Brost is looking and feeling much better these days with another new medication.

Virginia Dunn had knee replacement, surgery went very well, and now is working with the physical therapy.

Haven't been able to reach the Tiffanys to check on Sharon, hope they're traveling to spend the holidays with their family.

Also haven't been able to reach Vicki Williams, but friends report that Dave is doing pretty well – we miss you Dave & Vicki!!

Retha Harden was in the hospital but is now back in her new condo and feeling very good, however, they didn't determine the cause of her condition. Her new address is 5981 Meadowcreek Dr, Apt 1, Milford, Ohio 451150, phone-513-239-8346, she would love to hear from friends.

To all of our friends may we wish a Happy Thanksgiving and continued support.

### Asbahr tour, *continued*

all picture perfect. I think everyone, including the ladies, oohed and awed. Beverly invited the girls to meander through the house and view all her awesome collections. Her home was decorated for the season, Halloween. Oh all the pretties we ladies got to see. Thank you Roy and Beverly for allowing us to see your garage and home. Stephanie & Chuck

We had a pretty good turnout for our garage tour which included Bob Westfall, Jerry and Joanne Dixon, Les and Nancy Conner, Larry and Joyce Catt, Bob and Jeanette Dimick, Dennis and Jeanne Mowery, Mike Leidig, Tim Winchell, Tim McCarthy, Chuck and Stephanie Willis

## REFRESHMENTS

### NOVEMBER

Potluck

December: No Meeting

# NUTS & BOLTS: Board meeting highlights

*Condensed from minutes taken by Joanne Dixon*

The Board of Directors of Cascade Pacific Plymouth® Club met November 13, 2012 at approximately 12:22 p.m. at Bill's Place, in Clackamas. Present at the meeting were the following Board Members: Mike Bade, Bob Westphal, Joanne Dixon; Jerry Dixon, Robin Will. Also attending were Bill Call, Gary Rusher, and Chuck Willis, Tech Committee Chair. Joanne Dixon recorded the minutes.

**Treasurer's Report:** Bill Call reported for Dolores Call. The news was good: CPPC's operating deficit as of Nov. 12 is much smaller than last year's.

- **Old Business:** Events and tours for next years calendar will be reviewed by Activities chair, Jerry Dixon, at the November meeting and summary given to Mike Bade for inclusion on the 2013 Calendar.

A December 11th board meeting will be scheduled for final review of the 2013 calendar prior to printing. Calendar prices for 2013 to also be reviewed. Color and black and white calendars should be available for sale at the January membership meeting.

The November pot luck menu will be laid out and coordinated by Donna Bade.

- **Past Activities:** Fifteen members attend the Roy Asbahr's garage tour on November 3rd, with lunch at Dea's In and Out after the tour.

- **Activities Committee:** The Albany Swap Meet is November 17th.

The Portland Swap Meet is scheduled for April 5, 6&7, 2013. The Tech committee members, and other members, are meeting Saturday January 19, 2013 at Gary Rushers shop at 10:00 am, to prep the clubs parts for sale at the swap meet. Gary's asking all members to bring donated items to the November membership meeting. Robin will add a reminder in the newsletter. CPPC will again take consignment items from all members as was done last year.

- **Member Care:** (Story, page 6.)
- **Mayflower Event:** Joyce Catt is hosting the December 12th luncheon

at Albertina Kerr. The sign-up sheet will be passed again at the November meeting.

- **Tech Committee:** The committee met at Bob Westphals October 29th to remove the motor from his 1948 coupe. Attending were Chuck Willis, Marlo Edman, Don Ryan, and Jerry Dixon. Robin Will wants to document the entire process of installing a slant six in a P15, and would like to attend future meetings and take photos and draft the write-up.

- **Membership Committee:** Robin will create new half-sheet "Wanted" posters for distribution. The original featured a red '57-58 Plymouth, and he'd like to go with that again if a picture can be found. Robin still has membership information packets available for folks who will be attending events.

For the 2013 season, we hope to do a better job of getting membership information out at every event in the north-west. We'll be more aggressive about pinpointing events where we might

find prospective members. There will be more Board discussion on the subject.

- **Website:** Robin was happy to get an request through the website for help identifying a 1947 Plymouth Special Deluxe Club Coupe in Sweden.

- **Club Store:** New member Joey Jones has volunteered to help with future acquisition of hats, shirts, jackets, embroidery, etc.. Mike Bade will coordinate.

- **New Business:** It was suggested that the new Sergeant-at-Arms position needs to include an assistant position for when the Sergeant cannot attend a membership meeting. This to be worked in conjunction with the resolution of Sergeant-at-Arms responsibilities.

**Changes to the Bylaws** were reviewed and approved, reflecting the club's decision to elect officers for two-year terms.

The meeting was adjourned at 3:05PM.

## MORE STUFF FOR SALE

**For sale: Set of four 1950 15" Chrysler wheel covers.** Excellent condition. \$120. Single 1948 Oregon license plate. Good condition. \$30. Can email pictures. jjmiller2005@comcast.net; 503-452-3989. Jeff.

**1955 Plymouth Savoy, 2-door Sedan,** 6 cyl, 3 Speed w/Overdrive, Un-restored, Complete. Does not run. Some rust, some damage, Oregon Title. Located in East Portland, \$1,200 Knut 503-260-0044, or knut\_austad@yahoo.com

1937 Dodge 1/2 ton pickup. Owned since 1966. Original restored, 55 rearend. \$14,000. 541-689-0267

**1936 Plymouth Headlight Reflectors:** \$30 for the pair. They are 7 1/2" across. These have been chromed so they will never tarnish like silvered ones. DJ Freeman, 541-929-3957

**1971 Plymouth Satellite SW**, 1 owner, 318, PS, 6-pasenger, original title, bill of sale & window sticker, runs & drives very well. \$2000 OBO. Don Hufschmid, 503-577-7899.

**WANTED**, for 1938 Plymouth PT-57 p/u: R-bumper face bar & brackets; F-bumper guards. Bill Robinson, Ephrata, WA, 503-754-4266.

**Looking for** some interior window trim for a '31 PA 2 dr sedan. If anyone could help thanks in advance, Bill Robinson, indypdr2@aol.com

### Advertising for CPPC members:

Advertising is free to current Cascade Pacific Plymouth Club members. Photos are welcome; we edit words and pics to fit.

### Vendors and non-members:

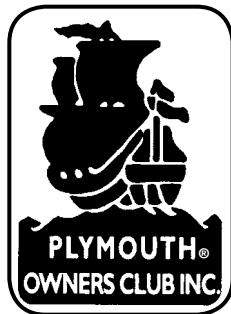

Business-card ad, 3.5" x 2", \$25.00 for 11 issues. Liner ads with pics, \$10.00 per newsletter. Advertisements should be Plymouth-related services. We edit to fit, and may refuse ads at our discretion.

**1936 Plymouth transmission** for sale, with e-brake, clean and ready to install. No shift knob. \$50.00. Also **1936 Plymouth radio**, complete. Not sure if it works. \$75.00. Parts are in Tillamook. I may be able to deliver. Doug 503 842-8460

**Original Plymouth sales literature**, owners manuals, service manuals, parts books and dealer data books for 1931 to 1995 models for sale. Hundreds of sales catalogs and folders for nearly all models of Plymouths at lower prices than the literature dealers. Let me see if I can find what you need for your car.

Also, thousands of brochures and manuals, especially strong in literature for discontinued or "orphan" makes.
