Swap Meet is April 4-7; donate items or sign up to work!

By Gary Rusher

For those of you that want to donate items for the club to sell at the Swap Meet, or have consignment item, there are five ways to get them to the meet.

1. You can take them to Gary Rusher's home at 6125 SW Homesteader Road, in Wilsonville.

2. You can call Gary at 503-939-9320, or Chuck Willis at 503-891-5069 to arrange for the items to be picked up.

3. You can bring them to the club meeting on the 26th.

4. You can bring them to Gary's on Saturday the 30th which is the day we will finish pricing items and load the trailer, or

5. You can bring items to the Meet on set-up day, Thursday April 4th.

Gary does have a limited number of setup day passes to get vehicles on the grounds. Contact him if you need one.

REMEMBER: The club is again allowing you to consign items for sale. You can also bring these items to the meet or get them to the meet as noted above.

SIGNUPS: I will bring the shift schedule to the meeting again on the 4th so you can register for a shift in either the sales area or the membership booth. If you are unable to make it to the meeting you can call me (Gary) at

the 503-939-9320 number and I will put you down for whatever shift you can make.

We appreciate your continued support of this very important club function.

Tulip Festival joint tour kicks off season on April 20

CPPC's Pat Brost will be leading the tour to the Wooden Shoe Tulip Festival, in the tulip fields north of Woodburn, on Saturday, April 20.

Joining our club will be Walter P. Chrysler Club's Pacific Wonderland chapter, and the Northwest Chapter of the Studebaker Drivers Club.

Only 20 free passes for Collector Cars, are available courtesy of the Wooden Shoe Tulip folks, so signup early. A signup sheet will be at the March CPPC regular membership meeting.

One of the highlights of the tour will be parking in the fields near the tulips. This would be a good opportunity to pose for the camera and get some great memories.

The tour will gather at 9:00 a.m. in the Oregon City Shopping Center just off Hwy 205 and Hwy 99E at the Shari's Restaurant/Oregon City Shopping Center parking lot. Participants will leave at 9:30 a.m. for the Wooden Shoe Tulip Farm.

The group will travel South on Hwy 99 E towards Canby, OR. Just South of Canby the group will then tour East, towards Monitor and arrive at the Wooden Shoe Tulip Fields from the back way to avoid the regular traffic and congestion, hopefully by 10:15 a.m.

For those with GPS, the Wooden Shoe Tulip Farm is at 33814 S Meridian

Rd, Woodburn, OR 97071.

Members who wish to join in but coming from different directions should try to plan to arrive about the same time to get in free with the passes. Be sure to contact Pat Brost if you are not coming with the group leaving from Shari's.

Lunch will be on your own. The Mt. Angel Sausage Company offering sandwiches etc. and a Mexican themed vendor are on site for you to buy lunch. You may want to pack a lunch and bring your own beverage.

For questions regarding the tour details contact Pat Brost 503-761-2792, tour coordinator.

Dues are Due!

CPPC's dues are for the calendar year. Remember that we just voted to increase dues to \$25 per family per year. Avoid lots of tedious reminders, and plan to pay your club dues at the March meeting!

The Steering Column, A Message from the President

The other day the Tech Committee was over to help install the slant six in my P-15 Coupe. While we were working, I wondered why these guys are into the car scene. I am sure everyone has his reasons. Anyway, here are some of my thoughts on the subject.

In the early years, cars and the ability to freely travel at faster than a walk seemed to grab the imagination and enflamed the blood of men and women on every continent. This phenomenon changed the course of the whole world over the past century and it still flourishes in the hearts on people everywhere. The automotive manufacturing industry has employed thousands of people for over 115 years and is a mainstay in the economy of our nation today.

When Great Grandpa drove his curved dash Oldsmobile down a dusty lane and encountered another horseless carriage there was automatically an effort to show that his Olds is faster than that other guy's horseless buggy. The thrill of competition helped fuel the fire in the breast of young and old alike and created a new past time activity and industry building gadgets to make their cars even faster.

Many in our generation were sons and daughters of those early auto workers and racers thus we follow in their footsteps. We became obsessed with cars and could name every make and model car on the highway long before we could see over a dashboard. We were fascinated with the idea of being able to drive while riding in mom or dad's car and anxiously awaited the day we could receive our own license to drive.

Many of us couldn't afford to pay to have our own cars repaired so we did it ourselves. Some were able to help dad repair the family sedan and have been doing so ever since. Some like me have no real reason other than like my mother said – "Robert was born with a car in his hand." The joy and feeling

of accomplishment while creating your own drivable work of art is astounding and soon becomes like an infection in our blood. That infection remains with us until the day we pass from this life. As I get older the following thought comes to mind. I wonder if there are rusty old cars in heaven.

Starting with the Portland Swap Meet, the CPPC show and event season kicks off. The POC Nationals are April 11th through the 14th followed by the Woodburn Tulip Festival on the 20th, the Cherry Blossom Festival in The Dalles, Ore. on the 27th, and the Corvallis Swap Meet the following day. Sadly the Oregon City Cruise has been canceled.

On May 18th, the Armed Forces Day Hazel Dell Parade, in Vancouver, takes place. CPPC is pushing to have this as a club event. The Parade officials are es-

pecially looking for convertibles along with other specialty cars and trucks. Parades are always fun and we are hoping to have as many CPPC cars as possible at this event. Contact Jerry or Joanne Dixon if you are interested in participating.

The Independence Cruisin Committee had their second planning meeting on the 19th and will meet every third Tuesday at the Woodburn Dennys at 11:30. Please feel free to join in.

A gentle reminder: Every year, at this time, the problem of un-paid due arises. Dues are crucial to the function of the club and to keep the CPPC membership roster current. Please get them in to Delores Call.

Happy touring,
Bob Westphal

Neumayers announce two big events east of Cascades

The "Far East" CPPC Members would like to extend an invitation to two upcoming events in The Dalles.

First the **KODL Radio Show on Saturday, April 27th**. This show is part of our annual Cherry Festival and the

show is right downtown on the parade route and an easy walk to all the other festival events and vendors. (Download flyer from CascadePacificPlymouth.org)

Second is the annual **Cruise the Gorge and Show in the Shade**, sponsored by our local car club and the Rotary Club beginning Friday evening **August 9th** "cruising the gut" downtown followed by our car show in the large park up on the hill, Saturday August 10th. There is also a show on Sunday, August 11, in Dufur, 13 miles south of The Dalles. We can set aside space for out-of-town clubs to park together if we know about how many cars to plan on. (Download registration form from CascadePacificPlymouth.org).

We encourage visitors to drive Old Highway 30 between Mosier and The Dalles either coming or going. There are great views especially from Rowena Crest and coming down the Rowena Loops eastbound.

I'll hope to get down to attend one of the club meetings once "tax season" is over.

Register for National Meet in Tucson by March 30

March 30 is the deadline to register for the Spring, 2013 National Plymouth Meet, April 11-13 in Tucson, Arizona.

The host hotel will be the Hilton Tucson East, where a special rate of \$89 per night has been arranged.

The Tucson area has a long list of attractions within driving distance, and a special group tour of the Franklin Auto Museum has been planned.

All relevant information, plus a mail-in registration form, can be found in the PDF document which you can download from CascadePacificPlymouth.org.

Members may also address questions to Tony Tricocci at grandcanyon-poc@cox.net or by phone at 480-893-8687.

Another chapter in Bob's Slant-6 conversion story

We're now three chapters into the story of the engine swap in Bob Westphal's 1948 Plymouth P-15 coupe.

In Chapter One, the CPPC's Tech Committee gathered to help Bob strip the engine compartment, pull the head from the original flathead 6, and find out what was going on in there.

The news wasn't good: there were broken rings, and worn cylinder bores. It would have taken a rebore, and fitting new oversized pistons – at bare minimum – to make the old engine live again.

At that point, there were lots of options. Rebuild the original engine? Find a fresh old flathead 6? Convert the coupe to V8 power?

Bob found a low-mileage slant-6 that seemed to be the answer, and with Tech Committee help, he hauled it home.

In Chapter 2, the gang gathered to remove the old engine and prepare for the transplant. Some front-end work was done, while the getting was good.

The pictures at right are evidence of Chapter 3: test-fitting the "new" slant-6 and automatic transmission.

Jerry Dixon, who was on the scene, reports that the procedure went well. The new bits went in and came out three times before the day was over. Some minor adjustments were necessary to the engine compartment, but a sledgehammer made them easy.

The next step will be the layout and fabrication of new mounts for the engine and transmission.

Stay tuned.

Big street rod event at Clark County Fairgrounds in June, 2013

The National Street Rod Association is returning to the northwest June 27, 28, 29, and 30th, 2013. After an absence of eleven years, the event will return to the Clark County Event Center, at Ridgefield, Washington. The event is open to cars 30 years old and older. Mayflowers on the move ...

You have to love a group whose sole purpose is to get out and do interesting stuff! On February 21, 2013 the Mayflowers visited the Zion Mennonite Quilt show in Hubbard. Quilts are visible on the walls behind Lorraine and Cari, above. The March 18 tour of historic Oregon City ended up at "You Can Keep Your Hat On," where many of the Mayflowers (below) were tempted to try hats, if not to keep them.

Plymouths, Out & About

LEFT: Bill Call found this 1967 Belvedere on a car lot in Gladstone. Its two owners managed to rack up only about 60,000 miles, and it's for sale for \$7,975. BODY SHOP & REPAIRS

Please keep Lorraine Griffey updated about club members who need cards, letters, or phone calls. That's lorrainegriffey@yahoo.com, or 503-666-2222.

The CPPC Body Shop has been having a lot of breakdowns for a while, but I'm glad to report that we can report some improvements, however, there's still work to be done.

Pat and Patty Brost are both doing much better, we'll keep some good thoughts for continued results from medication for Pat.

Vicki Williams reports that Dave is doing quite well, still working with the speech therapist, but is back to tinkering and is more independent. It's been a rough year!

Lee Powell got the flu in January and, while daughter Stacey was away for a couple of days, took a fall and wound up in the hospital for a few days but is doing much better these days. They hope to be at the next meeting.

Vera Rusher took a fall in February and fractured her foot, just got back in a shoe after having to wear a boot for a month. Gary's ankle is doing quite well, next on the agenda is a knee replacement when he gets Vera better.

Sharon Tiffany is getting much stronger after finishing her chemotherapy and having shingles but can't endure much travel as yet. Alan had to have a cancerous area removed from his eye lid but other than having to stay quiet for a bit he's doing well.

Don Hufschmid has been dealing with getting some implants – 4 molars removed, three months later posts and grafting done. He's been pretty miserable with swelling and bruising, another six months to get the crowns on.

Jerry Klinger is finally schedule for knee replacement on April 6th, during the swap meet. It's been a tough few months!

Our love and concerns go to all our friends who are having problems. Cards and calls are always appreciated. Let me know what's happening – we can use some good news along with any struggles.

NUTS & BOLTS: Board meeting highlights

*Condensed from minutes
taken by Joanne Dixon*

The Board of Directors of Cascade Pacific Plymouth® Club, Inc. met March 12, 2013 at approximately 12:40 p.m. at Bill's Place, 16111 SE 106th Ave, Clackamas, OR 97015.

Present at the meeting were the following Board Members: Mike Bade, Bob Westphal, Joanne Dixon; Jerry Dixon, Marlo Edman, Robin Will, and Dolores Call. Also attending were Gary Rusher and Chuck Willis. Joanne Dixon recorded the minutes.

Treasurer's Report: Dolores Call's report was accepted as submitted.

Mike Bade reviewed our financial spread sheet and will update for re-

view at the April board meeting.

- Old Business: We still have approximately 55 members who have not paid 2013 dues. Mike Bade will send them personal emails.

- Upcoming Activities: There will be a Tech Committee Swap Meet work day at Rushers shop, Saturday 3-30-2013. Gary has got about 1/3 of slots filled for the Swap Meet, and will pass the signup sheets again at the March membership meeting. The membership "tower" booth will be set up again – Gary and Chuck Willis will transport it to PIR. To date only Tom Nachand has signed up for the POC National Meet at Old Pueblo, Arizona. The Dalles

Cherry Blossom Festival event is April 27 (Neumayer story, page 2). A 3-day event August 9-10-11 in The Dalles features a cruise-in and car shows in The Dalles and Dufur.

Joanne Dixon reviewed the Hazel Dell May 18th Parade of Bands requirements. This is a club event with a single \$15 entry for up to twenty club cars. The signup sheet will be passed at the March membership meeting.

- Mayflower Event: (stories, page 5).
- Tech Committee: The request for members to discuss their current car projects at membership meetings went

Board Minutes, continued

well and will be continued. Gary Rusher will soon be re-painting the fenders on his 1930 coupe. Bob Westphal will be needing a good welder for his slant six install. Chuck Willis will look into both projects.

- Other Business: None.
- Membership Committee: New membership packets, with the new dues amount, will be available at the March membership meeting.
- Club Store: (story, page 7)
- New Business: The next cruise-in meeting with the Central Lions Club will be March 19th at 11:30 AM, at the Denny's in Woodburn. New items include increasing number of sponsors, vendors, and concessionaires.

Bob Westphal will present the Motor Books half price proposal for their Mopar Book at the membership meeting. If there is any interest, a sign-up sheet will be passed.

The Independence Cruise In flyers are ready, and will be available at the March membership meeting. Gary Rusher suggested we again setup a separate cruise-in account with the Lions Club for the 2013 event as was done in 2012.

The meeting adjourned at 2:30 p.m.

First in Class, Portland Roadster Show!

Mike Bade took this shot of CPPC member Bobby Burden and his 1920 Dodge Depot Hack at the Roadster Show. Bobby supplied this note: "The Depot Hack finished "First in its Class" which was Street Wagons, in the Street Rod Category. It was great to see fellow club members Tim, Tim, Bob Theil & his wife, Mike Bade & Gary Rusher there enjoying the show. On Sunday afternoon I handed out flyers for CPPC's upcoming car show in August. Folks were excited to see a new show on the block and for the folks that came up from Salem area to the Roadster Show they were very excited. Lets hope for great weather.....Bobby"

CPPC jackets, caps, and workshirts are available now

CPPC member Joey Jones is now taking orders for jackets, shirts, and caps embroidered with CPPC's logo.

Jacket is a Denim Body and Twill Sleeve Letterman Jacket (J761), with 3.5 inch embroidered CPPC Logo on left breast, 9 inch diameter embroidered CPPC Logo on back and name on front. Jacket price is \$110.00 each.
