## CPPC members: sign up for the Model A Picnic at Fletcher Anderson's

The Cascade Pacific Plymouth Club has again been invited to the Annual Model A Ford Picnic, which is held near Chehalis, WA, on Saturday, June 15th, beginning at 12:00 noon.

Drive your classic car or modern car to a fun event held in a big field with an antique plane fly-in, music with orchestra and singers, lots of old cars, and a big potluck.

*The sponsors request no hot rods, street rods, or rat rods.*

For the potluck, hamburgers and hot dogs are provided, bring your own table settings, chairs, small tables if you wish along with a salad, main dish, or dessert of your choice to share. The food is always terrific!

We'll meet at McDonald's parking lot at 3208 NW Yeon (Hwy 30) at 9:00 am to have donuts & coffee, leaving at 9:30 am.

Sign up at the May 28 CPPC meeting or call or email one of us so we know you'll be coming.

Don Hufschmid – 503-577-7899 or Lorraine Griffey – 503-666-2222 [lorrainegriffey@yahoo.com](mailto:lorrainegriffey@yahoo.com)

*CPPC member Fletcher Anderson includes Plymouths (and a biplane!) in his annual Model A Club picnic. This year's theme is World War II: a few lucky winners will get gas ration stickers, and the Ridgerunners Society Orchestra will play music from 1943.*

### Camera collector is May's guest speaker

Ralph London will speak about antique cameras at the CPPC membership meeting on May 28.

Members are invited to bring interesting cameras of their own, to add to the discussion.

Ralph London collects mainly early wood and brass cameras from the 1840s to the early 1900s, plus relevant catalogs and ads. His extensive camera collection includes cameras as late as the 1960s.

A retired computer scientist living in Portland, Oregon, Ralph contributes frequently to photo history publications. For many years he edited the Cascade Panorama for the Cascade Photographic Historical Society.

### Plan now for late August in Stevenson

Plan now to attend the Show & Shine on August 31 in Stevenson, WA.

CPPC members Sharon and Allan Tiffany produce the show as a fundraiser for Columbia Gorge Interpretive Center, which is worth the drive even if there wasn't a cruise-in and swap meet going on.

Here's the deal: every year there's a trophy awarded for club attendance, and every year some other club walks away with it.

We can have a good time, give the Tiffanys a hand, support a good cause, and finally bring that trophy home.

All we need to do is show up.

Ladies and gentlemen, mark your calendars!

**NEXT CPPC MEETING IS  
TUESDAY, MAY 28<sup>th</sup>**

## Meeting highlights from April

*Condensed from minutes taken  
by Donna Bade*

Cascade Pacific Plymouth® Club met on April 22, 2013 at the Clackamas Community Club at 15711 SE 90th Avenue Clackamas, OR 97015 at 7:02PM. Bob Westphal, President, presided. Donna Bade recorded the minutes. 42 people were in attendance.

Bill Call started the meeting with leading the Pledge of Allegiance.

Minutes of the Membership Meeting on March 26, 2013 be approved as published in the April newsletter.

Guests: Rob and Joyce Winters, Brian and Jean Wright, Joe Kregal, and Donna Jones. Chris Choma was also at the meeting, but has been a member for a year. Member Heidi Samore also attended her first meeting with her husband Brian. Bob Westphal thanked Brian and Heidi Samore for bringing treats for the April membership meeting.

Treasurer's Report: Dolores Call's report was accepted as submitted.

Guest Speaker: Bob Westphal shared a video of Lincoln City and Lincoln County between the 30's and 50's.

Then, Tom Nachand shared pictures and stories about his trip with Chuck Willis to the National POC Meet in Tucson, AZ. They traveled 3200 miles in Toms 1933 Plymouth PD convertible, enjoying Tucson's springtime at 95 degrees, and hitting snow and 25-degree temperatures in the mountains on the way home.

They drove to Sun City, outside of Phoenix to stop and see Mick and Ruth DeSantis, members of the CPPC.

There were 31 cars in the National Meet, but over 100 people attended the banquet.

Board Minutes: Mike Bade shared plans for the August 17 Independence Cruise-In. He had donation letters printed to solicit donations for goodie bags and door prizes, and he had 2000 half sheet flyers for people to pass out. If you need some, please contact Mike. At the Cruise-In in August, there will be Vendor Spaces available for \$50.00 and Food Spaces available for \$125.00.

CPPC jackets with the stitched logos. (See page 7). Mike has light weight zipper jackets available for \$35.00 and the light weight jackets with snaps are \$25.00.

Member Care: Don Hufschmid shared that Les Conner has improved greatly. He still has shingles on the left leg, but doing a lot better. Sharon Tiffany is also doing better.

Membership: At the swap meet, we signed up three new members and several past members renewed their membership.

Robin Will has "mobile recruiting kits" for members to take to car shows. They contain club information, cruise-in flyers, and CPPC memberships forms. This could help us get new members for our club.

Mayflower Tour: The next Mayflower event will be on May 6, at the Woodland Lilac Gardens. (Story page 5).

Activities/Tours: At the Tulip Festival on April 13, there were 8 cars that attended. (Story, page 4)

Jerry Dixon reminded people to try to host an event this year. It isn't as hard as you might think! Contact Jerry if you are interested.

The Orphan Car Show will be June 22. Jeannette and Bob Dimick will be the hosts for this event.

Hazel Dell Parade is on May 18. (Story, page 7).

Chris Chytka announced there will be a car show in Salem on June 22, for Habitat for Humanity.

Raffle: Winners were: Kena Petersen, Joanne Dixon, Jeanne Mowery, Donna Jones, Jerry Dixon, Don Hufschmid, and Donna Bade.

# The Steering Column, A Message from the President

The 2013 car show season has gotten off to a slow start with just a few members attending events. Only three or four members were at the Woodburn Tulip Festival, four were at the Suburban show in Sandy, and three at Papa's Toys/Portland Transmission totaling eleven member cars at all the events. With a club the size of ours, it would be nice to have at least that many cars at each event.

I have said before that this club is mostly a club of senior citizens. Sadly many of us will fade away into dust sometime in the future. This club needs public exposure to the masses in order to attract new and younger blood or

this club will be dust too.

As your President writes this, the Hazel Dell Parade is forming up in the rain. Four of the six members who signed up to represent our club were able to participate. Other car clubs had two to three times that number of cars in the parade. Community events like this are a crucial way to let those hidden Plymouth nuts out there know that CPPC exists.

Your President learned about CPPC through a similar community event in Lincoln City in 2009. If Tom Nachand wasn't attending that event, I wouldn't be your President. Need I say more?

Lorraine Griffey, who has faithfully headed up our member care/'Body Shop & Repairs' program for eons, would like to retire from that position.

I would like to thank her for the service she has rendered to this club as well as to Yvonne and me personally. Lorraine, Thank you! Here is a chance for some caring member to step up and fill a much needed position in our club.

It has been noted that the By-Law revisions adopted in Nov 2012 were not fully incorporated in the roster, and will be added as an addendum as will additional new members. Also Section 4.2 regarding makes of member's cars listed in the roster needs to be discussed by the membership at the general meeting.

Happy Touring  
Bob Westphal

## New internet resource for A-body Mopars

A young man stopped by CPPC's Swap Meet booth in April, and although he didn't leave his name, he left word of this great resource for lovers of Mopar A-body cars: Valiants, Darts, Barracudas, Scamps, Dusters, and the like.

The URL is all one word: "ForAbodiesOnly.com"

After you're registered, you have access to discussion forums, a member photo gallery, classified ads, and a VIN decoder specific to the A-body cars.

It looks like a godsend for the A-body enthusiast or restorer.

## CPPC newsletter wins OCW's Golden Quill

On April 23, 2013, Old Cars Weekly magazine announced its annual Golden Quill awards for car club publications for 2012, and Cascade Pacific Plymouth Club was among 50 winners nationally in the regional small publication category.

Judges evaluate technical quality in writing and photos, and look favorably on publications that show lots of member participation.

On the national level, Lanny Knutson won recognition yet again for the excellent National Plymouth Owners Club *Plymouth Bulletin*.

## Sun comes out for Tulip Tour

By Patty Brost

On Saturday, March 20th, 16 people and eight cars left Oregon City under cloudy skies and headed for the Wooden Shoe Tulip Farm near Woodburn. The skies brightened, the sun came out and the tulips showed us why the Spring is such a wonderful time of the year.

We were able to park our cars in a special place on the grass near the tulips. It made for some wonderful pictures, tire kicking and comments from the public. Most important a lot of "tip-toeing thru the tulips."

The following people attended:

Pat & Patty Brost; Bob & Yvonne Westphal; Duane & Katherine Benedict; Jerry & Joanne Dixon; Carl & Chris Nordstrom; David & Patti Outhie; Bruce & Sue Kerslake; Carl, Theresa & Tanya Chilcott.

*BELOW: Sort of like a puppy that follows you home, this 1951 Plymouth Suburban ended up at Tim McCarthy's house, minus engine and transmission (see Tim's ad on page 8). We'll document this project on [cascadepacificplymouth.org](http://cascadepacificplymouth.org) as Tim restores the shine to this diamond in the rough.*

## Plymouths, Out & About

**OUT AND ABOUT:** ABOVE, This fifth generation Plymouth fan is Lorraine Griffey's great-grandson, Lucian Peterson. Observe the concentration and care he takes dusting off his dad's '73 Plymouth Valiant in their garage in Richmond Hill, GA. The car is familiar to CPPC: our Tech Committee members helped get the Valiant ready for transport to Georgia when Josh was reassigned from Fort Lewis to Savannah three years ago.

**RIGHT:** If there was a long-distance prize for Out & About pictures, Stephanie Willis would have won it this month. She texted this picture of a Super Bee, along with the following: "Found this car in Clarendon, Texas, I am on a road trip with my Mom and 2 sisters. We have gone from Oregon to Atlanta, Ga and now returning home across the southern states. We will stop in the Grand Canyon today, Vegas tomorrow and then home. We have been in 20 states so far. # Hazel Dell Parade soggy, but fun

By Joanne Dixon

Saturday, May 18th, just four cars and eight members braved nasty weather for the 49th annual Hazel Dell Armed Forces Day Parade of Bands.

Mike and Donna Bade brought out the model 30U coupe, Herb Watkins and Russ Ashley joined with Herbs 1954 Studebaker Champion, the Westphals drove their 1988 Chrysler LeBaron GTC turbo convertible, and Jerry and Joanne Dixon brought their 1967 Barracuda.

The rain finally stopped and we had a fun time on the two mile parade route.

This event has lots of potential for exposure for CPPC, and it's a patriotic

event with a lot of nice people. We will check on this event for next year and hope that the weather cooperates and we can field more CPPC cars.

After the parade we all went to Bop-pin Bo's 50's Malt Shop & Grill to check out their cruise-in – another good car event! – and have lunch.
