## Fourteen members and 11 cars turn out for Orphan Car Show

The Studebaker Drivers Club's Orphan Car Show becomes a bigger hit with Plymouth people every year!

It doesn't hurt that CPPC member Bruce Kerslake is also heavily involved in the Studebaker Club. And it's due in part to the fact that Plymouths joined the field of "orphans" those marques which are no longer produced, with the end of the 1999 model year.

The Clackamette Park venue – on the grass, in the shade, near the water – makes it a pleasant place to spend an afternoon.

And if you're a little jaded about rows of Tri-Five Chevys or chromed-up flathead Fords, this is the place you want to be for true variety. Against all odds, there was not one, but two '54 Nash Healeys at the show, and when was the last time you saw even one of those?

Randy and Pam Ealy came home with First Place for the 1930-39 decade, with their lovely and driveable '39 Plymouth rumble seat convertible – and a good time was had by all.

June 20, 2015 – Fourteen CPPC members and eleven cars made the scene at the Studebaker Drivers Club's Orphan Car Show at Clackamette Park. The Ealys' '39 convertible brought home first place in the 1930-1939 category. Photo supplied by Mike Bade, but it looks like he had some help with this one, because he's in the picture. See more of Mike's pictures on page 5, and visit [www.sdc-nw.org](http://www.sdc-nw.org) for a look at all of the winners.

## Mopar Nationals happen in Woodburn on July 26

When you get this newsletter in the mail, there will probably still be time to join your CPPC friends at the MoPar Nationals at the Woodburn Drag Strip. Dave Benfield and Lloyd Schulz are hosts, and here's the scoop.

Please join us this Sunday 7-26-15 at the MoPAR Nationals at Woodburn Drag Strip. It's a combination car show, swap meet, and drag race. The car show participants get to park in the pits rather than the regular parking lot, and if we get in line together at the gate, we can park together in the show. If you can't drive a MoPAR (including AMC and Jeep), you can park in the regular parking lot.

Adult admission to the meet is \$15.00; the Car Show fee, which includes one adult admission, is \$25. Swap meet spaces or racing passes cost more. Check with Dave or Lloyd, or search [woodburndragstrip.com](http://woodburndragstrip.com) for

what you need.

The event is scheduled for 9 A.M. to 5 P.M. but the gate opens at 8 A.M. Race Eliminations start at 1 P.M. and Car Show Awards start at 2 P.M.

Lloyd and Dave will be in the Fred Meyer parking lot (near the garden section) in Tualatin by 06:45 A.M. They'll leave Fred Meyer by 7:15 A.M and take I-5 to the Woodburn exit (#271). From that exit, just head west a couple of miles to the Woodburn Drag Strip –on the south side of the road.

For people who would rather meet closer to the drag strip, we can hook up at the little golf course that's right across the road (219) and about 1000 feet east of the drag strip entrance, about 07:40AM.

Typical drag strip food is available, or bring your own. Sunscreen, hats, and ear plugs are also a good idea.

The event will be cancelled if it rains.

need to get a food handlers license to cook the hot dogs.

Aside from our own fundraising, our goal is to provide a scholarship in the club's name at Clackamas Community College. Bob Lanphere will donate \$500 this year, and Randy asked the club to commit another \$500 from cruise-in proceeds. The request passed unanimously.

Recipient of the scholarship will be determined by Dave Bradley, the Head of the Automotive Dept. at the college.

Joanne Dixon let the members know that as of tonight's meeting, we have 27 trophy sponsors, 89 Raffle items, and 26 goody bag items. She thanked Donna Bade for getting sponsors and raffle prizes, Dolores Call for the raffle item she brought in tonight, Tom Nachand for 2 plates of rocks for the raffle, and Don Hufschmid for getting a trophy sponsor. Joanne got a round of applause for her continued work in this area.

New Business: Hotdog-ust Night Membership Dinner. Donna Bade asked the members if they wanted to continue the hotdog feed for the August meeting.

Everyone was in agreement to continue with this. Don Hufschmid will bring his Bingo game and Stephanie Willis will bring flowers. A clipboard went around with a sign up for either a dessert or salad to add to the meal.

Board Meeting: Mike Bade said that years ago there was a Membership/Finance Committee that was a job members held in the club. The reason for this committee was to help secure guest speakers for the meetings and contact members before the meeting to remind them to come. There is a possibility to resurrect this committee.

He has called a few members to see if they might like to be part of this. Bill Call said he will help out in this area.

Newsletter/Website: Robin Will thanked 7 people for helping him with the newsletter. Mike Bade's contribution to the June newsletter was a detailed article about removing the water distribution tube, fixing the

overheating problem in his 1935 Plymouth. Robin plans on adding that article to the Tech Committee page on CPPC's website, in downloadable format.

We had 920 visitors to our website in May and 638 so far in June.

Robin reminded members that each member car has its own web page, and he'll update the pages if members send him pictures.

Other: Don Hufschmid just purchased a 1964 Chrysler New Yorker.

Car Quiz: Winners: Randy Ealy, Robin Will and Bruce Kerslake

Raffle: Joanne Dixon, Bob Westphal, Alan Viewing, and Bruce Kerslake

50/50: Tom Nachand won the \$30.00 share of the \$60.00 collection.

The meeting adjourned at 8:55 p.m.

## Let's show everybody CPPC knows how to put on a cruise-in!

By Pam Ealy

As our Hot Dog-ust Day Cruise-In approaches on Saturday, August 8<sup>th</sup>, we still have some openings on the work schedule, and some details left to plan.

CPPC has a long-standing reputation of putting on well-run, friendly (and profitable) events. That is mostly because CPPC members turn out to make our guest welcome, and keep individual workloads light.

Some areas of need:

Do you know of any site in the neighborhood of the Clackamas Community College where we might stake a 12' or a 6' banner? We had hoped to hang banners at each entrance to Clackamas Community College, but college regulations don't allow it – something that wasn't clear until late in the planning process. Please help us locate a new site for our advertising.

**How about helping out in the food booth?** We really need a couple members to go online to get a food handler's license. It only costs \$10 and the club will gladly reimburse you. Clackamas County ensures that anyone attending a public event in their county can count on good hygiene and proper food handling. This means we need to have more than one person with a food handler's license. Chuck Willis has volunteered to get his but we desperately need more than one person from our club to be certified. The protocol from the Health Department requires a back up plan in case of illness, etc. Don't be frightened by the online test – I'm sure it is not rocket science!

**How about being on the setup crew or the breakdown crew.** As many hands as possible are always needed in those areas. How about coming out on Friday to help set up the parking areas? Or planning on staying late to help with load out?

*Don Hufschmid reminds CPPC members that he is available to help with DMV paperwork. Give him a call if you have a question about your car's documentation.*

**More volunteers are needed early Saturday morning to direct and park cars and hand out registration forms.**

If we start organized, we stay organized: Let's make that first impression a good one for our visitors.

**Want to help out in the raffle area?** Right now we only have one person per shift.

**Sign up to be a judge!** Some of you are very qualified to help in the judging area.

**There's still time to round up spon-**

**sors and raffle items.** Going out and asking for sponsors seems like a hard task for many but we have a dynamic duo that has secured nearly 40 sponsors this year! They would tell you "all you have to do is ask".

CPPC produces the kind of event that makes people welcome, and makes them want to come back. A lot of that is because members get involved, work smart, and have fun. We are really looking forward to receiving your call!

Randy & Pam Ealy, 503-864-8111.

## Tiffanys enjoy cool Twin Tunnel Tour

*Allen and Sharon Tiffany, plus grandson Hunter, were the only CPPC members to join in the July 11 WAAAM Traffic Jam and Twin Tunnel tour this year. For quick background, Western Antique Aeroplane & Automobile Museum in Hood River is remarkable because all of their exhibits are functional. The Mosier Tunnel Tour opens a stretch of the original Columbia River Highway to cars 1949 vintage and older, for one day each year.*

By Allen Tiffany

What a difference a year makes. Last year the Twin Tunnels Tour was a miserable 100 degrees but on Saturday, July 11th, it was a cool 67. People were huddled up trying to stay warm and out of the wind. Sharon was unprepared and we ended up buying a hoodie. (That's her favorite thing to do: shopping!)

There were fifteen cars on the tour

including a 1948 British motorcycle. We drove our little 1928 Plymouth roadster. The group included 1914 Cadillac 4-cylinder and a 1918 V-8 and a 1935 Plymouth coupe. The only excitement was the towing of the 1938 Chev sedan due to rust in the fuel line.

It was a fun day to introduce Hunter, our sixteen year old grandson from North Carolina, to the old car hobby. He enjoyed WAAAM almost as much as I did. There are several new additions and they have rearranged old exhibits. It's worth a return trip.

Our only disappointment was the ice cream shop in Moser was closed – after my bragging to Hunter, our grandson, how good their ice cream was going to taste. Overall, it was a most beautiful day and a very happy memory.

Present at the meeting were the following Board Members: Mike Bade, Bob Westphal, Randy Ealy, Dolores Call, Robin Will, and Joanne Dixon,. Guests included Bill Call, Jerry Dixon, Gary Rusher, and Chuck Willis. Joanne Dixon recorded the minutes.

The meeting was called to order by Mike Bade.

The minutes from the June 9, 2015 Board meeting were approved and signed.

Treasurer's Report: Dolores Call's report showed that the club is holding its own financially. Contact any board member for specifics.

• Old Business: Randy Ealy reported that we have thirty eight (38) paid sponsors for the cruise-in, twenty one (21) cars pre-registered. Gary Rusher has the 38 sponsors' information and has begun the trophy ordering process. The Lanphere scholarship donation of \$500 has been received. One pin striping vendor has signed up, and we have two detailing vendors willing to sign on. Mike Bade has completed the goody bags and given them to the Benfields. The next Cruise-in meeting will be July 21st at the Denny's Wilsonville, at 11:30 AM.

• Guest Speaker: Bob Westphal has invited Mobile Alloy Wheel Repair to be guest speaker for July.

• Past Activities: The Tiffany's attended the WAAM Traffic Jam tour of the Mosier Tunnels on July 11th. They were the only CPPC members able to attend. There were 37 total cars that made the tour. The expected hot weather did not happen, it never got above the low sixties, and Sharon had to buy a jacket at the museum for the day.

• Up Coming Activities: Jerry Dixon reviewed the upcoming activities schedule. Roberson's All Mopar Show is July 18th, and we have only two members signed up. July 19th is Forest Grove Concours d'Elegance, with no current sign ups. - **Membership Committee:** A Motion was Moved and Seconded, that the Member At Large be assigned the chairmanship of a membership committee. A function of the membership committee will be to serve as guest speaker coordinator so there will be guest speakers on consistent basis. Motion Passed.

Robin Will has served in an unofficial capacity as Membership Chairman along with other duties, website and newsletter, etc. It is felt that more members need to be involved in the duties of running the club, to lighten every ones load.

The Board agreed that the 2016 Officer Nominating Committee will seek candidates for the expanded Member at Large position. And that the appropriate Bylaw revisions be made prior to years end 2015.

- **Newsletter:** Bill Call suggested that we include a more detailed write up about the current month's speaker in the newsletter, and perhaps encourage better attendance at the member-

ship meetings. It was agreed that we will do this in the future. Newsletter submissions will be due the second Friday each month to support a early mailing.

- **New Business:** Bob Westphal announced that Don Hufschmid has offered to serve on the 2016 club officer nominating committee. In August the Board again needs to impanel four additional members to serve on the committee, with the chairman of the board serving as chairman.

There being no further business, the meeting adjourned at 2:30 p.m.

## Looking for a Member Care representative

After several years on the job, Yvonne Westphal is ready to hand off the responsibility for CPPC's member care announcements.

It's basically a matter of keeping track of who is temporarily out of commission, and who could use cards, visits, phone calls, or other kinds of support from club members, and getting the news to the newsletter editor once a month.

This kind of care is one of the things that makes CPPC special, and it's priceless to know that our friends are thinking of us when we're down.

Give Yvonne a call or contact a board member if you're able to help.
