CPCC is a Clackamas, Oregon based organization with approximately 130 members, dedicated to the preservation *and enjoyment* of Plymouth automobiles.

We welcome modified cars as well as restored vehicles, and you may join with a car other than a Plymouth – or with no car at all!

We offer a high level of networking and technical support to locate parts, and a full calendar of activities that members and guests can enjoy whether they have old cars or not.

Please visit our website for specifics.
