## Mayflowers in governor's office! Philis takes governor's chair, names new cabinet!

By Robin Will

It's a little too early for April Fools, but this was by far the most charming photograph that came across your editor's desk this month, and it deserves to be on the front page.

Someone did a great job getting all of CPPC's members to stand up straight and look serious. The setting is impressive. And Philis looks downright gubernatorial, sitting there in the governor's chair.

So two-thirds of the headline is true. Mayflowers, CPPC's "field trip" group, did indeed visit the State Capitol on February 15, and the picture was, indeed, taken in the Governor's office, with Philis occupying the Governor's chair. That much is true.

I made up the part about the cabinet.

See the rest of the story on page 5 of this issue.

## Hot Dog-ust Day Committee has second meeting

CPPC's Cruise-In meeting met for the second time on February 16, resolving some fundamentals about how to approach our August 20 event.

**NEXT CPPC MEETING IS  
TUESDAY, FEBRUARY 23<sup>rd</sup>**

**SHINE UP YOUR CAR  
AND JOIN US!**

One concern was the status of scholarships, given the state's "free tuition" measure, but, as written, that measure applies only to graduating high school seniors – not the adult students who comprise most of Clackamas Community College's student body.

Scholarships will be needed, CPPC's contribution will be welcomed, and if we can contribute more, so much the better.

Substantial time was spent discussing how to market more aggressively, and how to attract community partners who would enhance the event and contribute to financial success.

Flyers are designed and ready to print, and Mike Bade is already at work on a killer t-shirt designs.

## Fundamentals for this year's Portland Swap Meet

Portland Swap Meet is April 1-2-3 this year. As usual CPPC will be there, selling parts, swapping Plymouth know-how, and hopefully recruiting new members to our club.

We rely on donated stuff to make the scenario work.

Members and friends who can donate parts, please contact Gary Rusher or Chuck Willis to arrange for pick-up services.

Gary will be circulating a sign-up sheet for Swap Meet duty at the February meeting. Please sign up for a shift or two, to represent our club, to have a little bit of fun, and to get a great feel for the old-car hobby.

# Meeting highlights from January

*Condensed from minutes taken  
by Donna Bade*

The members of Cascade Pacific Plymouth® Club met on January 26, 2016 at the Clackamas Community Club at 15711 SE 90th Avenue Clackamas, OR 97015. The business meeting began at 7:03p.m. Randy Ealy, President, presided. Donna Bade recorded the minutes. Also present were those persons who signed the register list, the original of which is attached hereto as Exhibit A. There 36 people in attendance.

Don Hufschmid led the members in The Pledge of Allegiance before the meeting started.

Minutes of the November 24, 2015 meeting were approved as published in the January newsletter.

Randy Ealy thanked Lorraine Griffey and Don Hufschmid for bringing the treats for the nights meeting.

Guests: There were no guests present at the nights meeting.

Treasurer's Report: Dolores Call was not present at the nights meeting, but she furnished a report to Randy summarizing year-end balances as well as 2016 activity. Ask any board member for details.

Randy read the list of members that have birthdays in January and February.

Old Business: The club finished 2015 without a full roster of officers, and remaining positions were filled over the holidays. The full roster includes:

Board Chairman: Bob Westphal

President: Randy Ealy

Vice President: Bill Call and Gary Rusher

Secretary: Jim Wheat

Treasurer: Dolores Call

Member at Large: Don Hufschmid

The membership voted to approve the full list of officers for the next two years.

Randy thanked the past board members for their years of services to the Cascade Pacific Plymouth Club. Bob Westphal received a monetary gift at the November meeting. Randy called up Mike Bade, Donna Bade, Joanne Dixon, and Dennis Mowery to receive a thank you card and gift card from the membership.

Randy brought up the fact that the November potluck meeting is always too close to Thanksgiving, so, the Board would like a vote from the membership for the date to change to either Nov. 15, Nov. 29, or Dec. 6. Randy will talk to the person who we rent the building from to see if we can change the date and we will discuss at the February meeting.

New Business: Bob Westphal described the 1942 Plymouth Sedan which the club purchased for re-sale. (*Featured in January's newsletter*). The car is at Bob Westphal's house and the tech committee has already begun working on it. Randy mentioned there is a member in the club that has been looking for a '42 for years. Maybe the club will make a sale.

Portland Swap Meet is April 1, 2, and 3. Gary Rusher will have the sign ups for club duty next month. Set-up will be March 31 @10:00. We have 3 spaces for parts, 1 for membership, 1 outside space and 1 for Mike Bade's photography.

HotDog-Ust Car Show Meeting: Pam Ealy shared the results of the first Car Show Meeting. The group met @ The Red Robin in Wilsonville, but decided to change the venue for the February meeting to the Wilsonville Library. The next meeting will be February 16, from 10:00 - noon. It will always be held the third Tuesday and anyone can attend. Members who attended automatically became committee chairs, and may be calling on other members for help as work continues. The goal is to have more cars present this year (105)

# The Steering Column, A Message from the President

Mike Bade has again done a beautiful job with the Plymouth Club Calendars he completed while on vacation. How many times were his days in the sun interrupted with texts regarding the calendar material? I'm sure Donna knows. The calendar is full of our upcoming events and our tech meetings. Many great pictures from last year's CPPC events are displayed. You can pick up your copy at a monthly meeting or at the Portland Swap meet. The cost for color is \$10.00 and black and white is \$3.00.

I always enjoyed having lots of calendars in my various job trailers thru the years. I had the desk type where I could write and keep track of job goals for the month. At the start of a new

and one more trophy sponsor (40).

Mayflowers: Mindy Benfield said the Mayflowers will tour the Oregon State Capitol Building on Monday, February 14. (Story and pictures in this newsletter).

The March tour will be on Monday March 14, at 10:45 am @Bonneville Power Administration Building. (Story on page 5).

Dues: The 2016 member dues are due. Please send in your check to Dolores Call @ PO Box 2988, Clackamas, OR 97015.

Activities: See calendar, page 3.

Board Report: Bob Westphal reported that Randy Ealy gave each member of the board a phone list of members to contact by phone to update roster information and discuss how the club is meeting members' needs.

Member Cars: Gary Rusher reminded members about the Members Cars page on our website, and that Robin is open to posting more pictures and stories.

month I enjoyed ripping the previous month off and starting a new clean slate with new expectations. The previous month was gladly tossed in the round file.

Of course there was a large Rigid Tool Calendar with a new foxy lady each month. When the General Contractor would come in for our monthly progress and billing meeting I could stare at that month's model while he told me I was behind schedule and was billing too much. Then it was his turn to stare at the pinup while I explained where he was holding up my progress

and shared bills I had paid for that month.

Our job trailer usually had 3 offices and I needed lots of calendars. I had antique tractors, automobiles and truck calendars. The Union would send us a nice scenic calendar of places I never got to see because I was always working. Now I enjoy the CPPC calendar because Pam and I have been to these events and enjoyed the friendships we made along the way. Hope to see you at the next meeting!

## Work is delegated as Tech Committee starts fixing their new '42

It sounded a little bit like "who's on first," listening to the Tech Committee guys talking about progress on the barn-find 1942 P14S that currently belongs to Cascade Pacific Plymouth Club.

Many parts came off of the car, and went home with several different committee members. On February 17, un-

fortunately too late for newsletter coverage this month, the guys will gather, put things back together, and assess their progress.

Randy Ealy took the gas tank home to clean it, and it's ready to go.

Bob Westphal took the carburetor off for inspection and service. The work is done, and it's already back on the car.

Jerry Dixon has a new fuel pump, which he bought online for \$65. It's going to come in handy.

The brakes are about three-quarters done: Gary Rusher is kitting the last wheel cylinder.

Gary was also in charge of replacing a clutch pedal bushing, which turned into an odyssey that deserves its own magazine article – a lot of trouble for a part that probably didn't cost a nickel when new – but he got 'er done.

Gary also has the brand-new fuel line, and a battery.

So they're gathering at Westphals'

on February 17 to re-assemble the pieces. If everything fits, and if nothing essential has been forgotten, it's conceivable that they'll be able to finish the brakes, and start the engine.

It will be the first the Plymouth has run for any length of time since 1964, when the son of the original owner drove it out to Washington from Minnesota – and parked it. The engine was overhauled just before the trip west, so things should be pretty good in there.

The Tech Committee has high hopes, and it will be an interesting day at the Westphals'.

## As long as we're speaking of 1942 Plymouths ...

*Bill Call shared this picture from the year he drove his 1942 Plymouth Staff Car on the POC coast-to-coast tour. The Town Sedan body style was a 1942-only feature for Plymouth, spendy and not really popular. The other owner is deceased, although Bill has been in touch with his family, who still have the black Town Sedan. Bill suspects these are the only two operable P14C Town Sedans remaining in the USA.*

## Last year's Swap Meet isn't over yet – according to Rusher's eBay sales

CPPC is still posting income from last year's Swap Meet, thanks to a little bit of wheel-dealing by Gary Rusher.

Almost exactly a year ago, Gary and Chuck Willis were in Bend, Oregon, picking up Swap Meet donations from a club member, and they decided to visit a guy they heard was hot-rodding a 1932 Plymouth and "might" have some good stuff left over.

Gary wrote a check for \$400, and went back the next weekend with a empty pickup to haul back his purchases, which amounted to just about everything a guy wouldn't need if he was swapping a V8 into a '32 Plymouth.

Gary made his money back on the first day of Swap Meet, recouping his \$400 and leaving a generous profit in the till.

There were good parts left over at the end of Swap Meet, so Gary has been peddling them on eBay ever since.

The most recent sale was \$400 for a set of wire wheels, the 6-hole version that fits 1930 Plymouth only, that inexplicably came from the guy who was hot-rodding the '32.

Counting the expense of crating and shipping, there's probably \$300 in profit to the club – income from last year's meet, as we start getting organized for the 2016 Swap Meet.

Not bad.

***Don Hufschmid reminds CPPC members that he is available to help with DMV paperwork. Give him a call if you have a question about your car's documentation.***

## Monday, March 14: Mayflowers tour visitor center at BPA in Portland

By Jeanette Dimick

Save Monday March 14th for the Mayflower Tour to the new library at the visitors center, Bonneville Power Administration Building, 905 NE 11th Ave., Portland

They have an historical archivist there. We will see "mechanical contraptions" from the 1930's and 1940's, classic vehicles and museum film footage.

Lunch will be at the Broadway Grill, NE 17th & Broadway AND dessert across the street at the famous old Helen Bernhardt's Bakery.

Phone or email me with questions.

## Making cars shine at Sidedraught City

Pam Ealy, Steve Herman and Dennis Mowery got some personal instruction at CPPC's February 13th tour to Sidedraught City. This is a popular tour, allowing visitors to get hands-on experience with the Griot line of fine car care products. Look at the reflection in the hood of that Jeep!

## Mayflowers tour State Capitol on Feb. 15

By Lorraine Griffey

A lively group of 15 met in Salem on Monday, February 15th, for a tour of our State Capitol. A volunteer guide took us to the House of Representative's Gallery for the opening of the day's session, scheduled for 10:30 am, however, by 10:50 am the members of the House of Representatives were still wandering in so we were escorted across the building to the State Senate Gallery which had just convened and guests were being welcomed. The first item of business conducted was the official recognition of Happy Canyon Days at Pendleton, Oregon in September proclaiming it as a major state event. "The first Pendleton Round-Up was to be "a frontier exhibition of picturesque pastimes, Indian and military spectacles,

cowboy racing and bronco busting for the championship of the Northwest." It turned out to be that and more. For the initial show, all stores closed. "The largest crowd in Pendleton's history," 7,000 strong, showed up for the first show on September 29, 1910, a newspaper writer reported."

We were shown around the beautiful Capitol building with historical stories and explanations of the building and various pictures and art, followed by lunch in the cafeteria. Thanks to Virginia Dunn for organizing this interesting tour. It's always great fun to get out together to explore the various opportunities as we get to know each other better. Everyone is always welcome!!

## Preview of the March 12 CPPC tour to Aurora

By Robin Will

The town of Aurora began as a Christian Utopian society in 1856, and operated as a commune until 1883.

Because they brought an entire community – millwrights, tinsmiths, orchardists, carpenters and cabinetmakers, not to mention an entire brass band – Aurora had an outsize impact on the Oregon frontier.

The settlers were mostly German, and their religion resembled the beliefs of the Amish.

Today the community is known as a center for traditional arts & crafts.

We will be visiting the Antique Spinning Wheel Showcase at the Old Aurora

Colony Museum. Expect to see 50 or more spinning wheels in action, and get the chance for hands-on experience in traditional crafts. (Admission \$5).

Next, we'll drive out to the Stauffer-Will Farm, an original 1869 farm used most often for living-history programs for grade- and middle-schools Oregon history classes. Patrick Harris, curator of the museum, will be our tour guide. (Admission \$5).

I suggest bringing sack lunches – there is no fast food in Aurora. There are plenty of picnic tables in the barn, in case it's rainy.

More details via email. Visit [auroracolony.org](http://auroracolony.org) for background.

## BODY SHOP & REPAIRS

This Yvonne Westphal's last Member Care column. Joanne Dixon will be the new Member Care contact. Please call her at 360-608-6171 or jojobs@outlook.com.

Julie Ann Edman had both knees replaced last November. She is doing very well and was able to attend the last club meeting.

Ritha Harden of Melford, OH tripped and fell and broke every bone in her foot. She will be using a knee scooter until April then she will receive a walking boot. We miss her and wish her a speedy recovery.

Bob Westphal has been going through tests in preparation of hernia surgery in March.

Thank you for all the prayers, cards and phone calls to those in need. They were greatly appreciated.

Joanne Dixon will be the new Member Care contact. Please call her at 360-608-6171 or jojobs@outlook.com.

## NUTS & BOLTS: Board meeting highlights

*From minutes taken  
by Joanne Dixon*

The Board of Directors of Cascade Pacific Plymouth® Club met February 9, 2016 at approximately 12:30 p.m. at Bill's Place, 16111 SE 106th Ave, Clackamas, OR 97015. Present at the meeting were the following Board Members: Bob Westphal, Randy Ealy, Dolores Call, Robin Will, Don Hufschmid, Gary Rusher, and Joanne Dixon. Guests included Chuck Willis, Mike Bade, Jerry Dixon, and Pam Ealy. Joanne Dixon recorded the minutes.

The meeting was called to order by Bob Westphal.

The minutes from the January 12, 2016 Board Meeting were approved and signed.

- **Treasurer's Report:** Dolores Call's report was approved as submitted. Ask any board member for details. The Club currently has 62 members with unpaid dues for 2016. The CPPC non-profit status needs to be updated for 2016. And that the Club checking account signatures need to be updated to the current board members.

- **Activities:** Jerry Dixon reviewed the 2016 Activities Schedule details. The February 13 Sidedraught City tour, and the February 16 Cruise-In Committee meeting are reported elsewhere.

The next Club tour will be Saturday February 20, 2016 to The World of Speed, hosted by the Studebaker Club. Wednesday February 24th is a Tech meeting at Gary Rushers to work on his 1930U. March 5th is a tour to Bill's Place, hosted by the Ealy's. March 9th is Swap Meet Prep day at Gary Rushers. March 12th is the tour to the Aurora Colony Museum, hosted by Robin Will.

- **Old Business:** Randy Ealy has received new Club business cards. He will have them available at the membership meeting.

It was agreed that in the future the CPPC membership meeting minutes will be forwarded to the POC National by the Club's Newsletter Editor.

- **Committee Reports:**
- **Swap Meet:** Gary will start passing the Swap Meet signup sheet at the February membership meeting.

- **1942 Plymouth update,** see page 4.

- **Hot Dog-ust Car Show:** Randy and Pam Ealy met with Clackamas Community College this morning and discussed scholarships, signage, field work, cooking, tables and chairs. CPPC has been invited to attend a Scholarship Appreciation Dinner to meet the Scholarship students from 2015. The possible members with trailers who
