Thunder, lightning and rain add excitement to Orphan Car Show

Weird weather kept folks huddled in their cars for part of the Orphan Car Show, but it improved later in the day.

CPPC had a small but faithful turnout, and the Ealys went home with second place in their class, the 1930s

Hot Dog-Ust Day is coming! Can you step up and help?

Here's the list of team leaders who might be looking for help with their cruise-in duties. Give them a call!

50/50 Drawing: Dave & Mindy Benfield

Signage: Mike Bade & Dave Benfield

On Site Raffle: Stephanie Willis

Sponsors, Raffle and Goody Bags:

Joanne Dixon & Donna Bade

Registration: Pam Ealy

Clackamas CC: Randy Ealy

Parking and show entry: Jerry Dixon

Food: Chuck Willis and Phil Lapin -

Site tent and table set-up: Jim Wheat

Printing & T-shirts: Mike Bade

Awards and judging: Gary Rusher

Farewell: Jeanette Dimick -

hand out water as cars leave.

decade, for their stellar 1939 Plymouth convertible.

The Orphan Car Show, sponsored by the Studebaker Drivers Club NW, is a quality event in more ways than one. The venue at Clackamette Park is a great place for a car show. But the cars are the point, and folks who are tired of overchromed Deuce coupes and Tri-Five Chevys can refresh their memories among the Studebakers, Nashes, Ramblers and far more obscure makes that aren't often seen at other shows.

The motion passes: include more friends in August's Hot-Dog Feed!

In a club noted for friendliness and hospitality, it wasn't a big stretch - CPPC members voted to welcome friends and family to our traditional August hot-dog feed (it's August 23 this year).

It's a friendly thing to do, and it may be a way to attract some interest in the old-car hobby, and attract future members of the club.

Bring grandkids, invite the neighbor who's always admiring your car. We intend to invite the Studebaker Club and other groups we tour with. We certainly hope to include some of the Clackamas Community College students who help us with our cruise-in.

The old-car hobby is changing, for sure, but there's still lots of value in the kind of community, networking, and support that a good car club can offer, and CPPC is living proof of that.

We don't need to tell people, we can show them.

Dimicks re-start clothing drive during rummage-sale season

By Jeanette Dimick

Community Service: A big Thank You to Stephanie Willis - 4 large bags of clothing donated that I shared with a school that serves a very needy population.

Still collecting men's clothing for the Downtown Chapel that has a day center for homeless men. We purchased 6 "bag sale @ \$5 each" from a rummage sale, stuffed with jeans, shoes, shirts, jackets. About 90-100 pieces of clothing. Interesting point, the \$30 supported a school program that in turn the clothing helped a population without shelter.

Rummage sales are a great resource, if you are so inclined.

If you bring items to a meeting, Jerry and Joann Dixon will take them home where we will pick up and distribute.

Meeting highlights from May

*Condensed from minutes taken
by Jim Wheat*

Members of Cascade Pacific Plymouth Club met on May 24, 2016 at Clackamah Community Club, 15711 SE 90th Ave., Clackamah, Oregon. Thirty-five people were in attendance. Jim Wheat took the minutes.

The meeting was called to order at 7:05 by president Randy Ealy.

Gary Rusher led the membership in the flag salute.

Randy thanked Pam Ealy and Jeanne Mowery for bringing the refreshments.

There were no new guests.

Randy reminded everyone about the CPPC Store. There are jackets, shirts, hats, calendars, and miniature cars for sale as well as vendor lists available.

Minutes of the April 2016 membership meeting were approved as printed in the May newsletter.

Randy reminded everyone to get their dues in, there are still 17 members that have not paid to date.

Gary Rusher was thanked for all of his work in organizing the swap meet and was presented with a \$100 gift card as a thank you.

Treasurer Dolores Call was ill so Randy reviewed the bank balance and commented that the treasury is looking good.

CPC member Gary Peterson gave an excellent talk about East Side Plating and the many specialized plating finishes and full service powder coating processes they offer. East Side Plating began in 1946 and they have five buildings with more than 130,000 sq. ft. and over 100 different processing tanks and ovens of many sizes. In addition to specializing in Aluminum and Zinc cast substrates they do chrome, gold, silver and cadmium plating. They have the ability to plate a wide variety of base metals including aluminum, steel, stainless, zinc, brass and copper. ESP provides anodizing in more colors than anyone else in the Portland area. On any given day the number of new jobs coming in for processing ranges from 150 to more than 200. As a result, it is possible at one time to have more than 1,000 jobs in house in various

stages of processing.

The upcoming car show was discussed, everything is broken down into committees. A sign up sheet was passed around, most of the work will be late Friday and all day Saturday. Jeanne emphasized the need for help even for just a couple hours. So far there are 19 sponsors, 8 raffle prizes, 6 special raffle prizes. Joanne has obtained 46 goodie bags and needs 54 more as well as items to put into the bags. Donation letters are available and urged club members to seek out donations for raffle items.

The next Mayflower tour will be Friday, June 17th. Mindy Binfield announced that the meeting location will be at Penzey's Spices, 11322 S.E. 82nd. (on the west side of 82nd.) Lunch will be at noon at the English Garden Tea Cafe, 11211 S.E. 82nd. (in the same mall)

CPC member Dave Benfield talked about seat belts and from personal experience, how his seat belt prevented him from getting seriously injured in a roll over accident.

Under New Business, Randy presented a motion to the membership asking how they felt about opening the Hot Dog-Ust meeting night in November to all family and friends as well as students and the Studebaker Club. The motions passed, Robin will put an article in the newsletter.

Randy also announced that the Board would like to get an OK form the membership to purchase another car for resale. The idea is not to get

(continued on page 3)

CASCADE PACIFIC PLYMOUTH CLUB

DUES \$25⁰⁰

per year

Concurrent membership in
National Plymouth Owners
Club is required.

The Steering Column, A Message from the President

Greetings All,

Hope everyone enjoyed a Happy Father's Day. Mine was spent golfing with my sons, followed by a family barbeque. The Ealy home is back in order as Pam

is healing from her knee replacement surgery and the house is still standing. Thanks to all who have shared their regards during her recovery.

This past weekend we were able to attend our first car show of the year. The Orphan car show is one of our highlights every year at the beautiful Clackamette State Park. This year we were greeted at noon with some thunder and lightening, then hail, followed by rain. But the show went on and we had a great time visiting with friends and car owners. Several Plymouths receive recognition at the awards ceremony. Great job to the Studebaker club for their hard work and excellent show.

Speaking of car shows, our Hot

Dog-Ust Day car show is coming up on August 20th and we still need help from our members. There are slots open for volunteers, so please call our committee chairs and sign up for a work spot. This is our last fundraiser for the year. It would be great if all our members who can attend would preregister by our next meeting. This would help our committee plan for the number of club cars joining us.

Hope to see you all at our next membership meeting.

Let the good times roll.

Meeting Minutes,

continued from page 2

into a total frame off restoration. There was also discussion on finding a place to work on this and other cars. After a discussion pros and cons it was decided to let the membership think about it and discuss it again at the next meeting

Car shows: Military Order of the Purple Heart in McMinnville, Aug 13; Hope Village in Camby; Cruise the Gorge show Aug. 13.; June 18, American Legion Cruise in, Post 74.

The Tech Committee meets the 4th Wednesday of the month at 10:00.

Robin said that the web site had over 700 hits, 100 people downloaded copies of the newsletter for various months/years, 78 people visited the Tech Committee site.

Dave Benfield was the only winner for the car quiz. Lorraine won the 50/50 drawing taking home \$39.50. Randy played a new game with the membership and donated 1/2 of his winnings from last month, 50/50, Lois was the winner.

Member care: Jeanette will not need surgery on her foot resulting from a fall, however a brace will be necessary. Pam Ealy is doing good after her knee replacement, she is out of the hospital.

The meeting adjourned at 8:40PM.

Activities Calendar: Things are really rolling now!

Phil and Randy discover treasure trove of chrome and stainless

By Phil Lapin

I have been searching for a few pieces of chrome (stainless) for the 1942 Plymouth that Jean and I bought. I was given a lead on Dave Stromberg, who lives less than 2 hrs north of Portland. He is actually on the back side of Silver Lake, on the way up to Mt. St. Helens. Dave has a business specializing in chrome trim. I called him, and sure enough, he had what I had been searching for.

I talked with Randy Ealy, and suggested we drive up and pay Dave a visit. What we saw was – at the least – overwhelming. Dave Stromberg has more chrome for vintage cars than one could imagine. It is his “specialization” as a business, and he has been in it for over 40 years! He can pretty much identify and find any piece from any early Chrysler Corp. (and other) cars -

from memory! Thousands of pieces are in alphabetic rows, bins and boxes. He is an incredible resource, both for trim parts and for information. Dave at one time owned over 300 parts cars, so he also has some items such as wheels, instrument clusters, radios and heater parts.

Dave sells new (OEM) and used chrome “as is”, and he also does “restoration” of chrome. He can restore a piece of chrome that is dinged and dented, drilled through for screws - whatever - as long as it is intact. This kind of restoration is not inexpensive, but if it is a one of a kind part Dave can fix it. Randy and I saw some of his finished pieces - looking shiny as brand new and flawless. He is like a jeweler in his approach. Over the years, he has developed techniques and built specialty tools to do this kind of work.

When you're stuck for that last bit of brightwork for your restoration project, check with Dave Stromberg in Silver Lake, WA. He probably has what you need in stock, and it's possible he can restore pieces that he can't replace. Phil Lapin contributed this photo of a portion of the inventory at Fat Fendered Relics.

Dave Stromberg can be reached at (360) 967 2061. His address is 114 Stout Road, Silver Lake WA. 98645. His business is “Fat Fendered Relics” and the website is: <http://www.fatfendere-drelics.com>

Out & About

Phil Hall sent the picture below, with this explanation:

“I was at Collier Memorial State Park about a month ago. Collier which is north of Klamath Falls has a huge logging museum. I happened across this old Plymouth used for logging. It was a four cylinder, two head engine. I am guessing late teens or early 20's. The thing ran on railroad type tracks.”

Google searches for “Plymouth donkey engine” “Plymouth logging equipment,” and “Plymouth yarder” delivered no useful results, but eventually we were able to identify this as a product of the Plymouth Locomotive Works, Plymouth, Ohio, which, from 1910 to about 1999, was one of the worlds most prolific builders of small industrial locomotives.

1938 Plymouth Business Coupé/Camper Special?

Which of us hasn't looked at the trunk of one of these big-bustled coupés and thought, "Jeez, I could sleep back there!" CPPC member D.J. Freeman, in Philomath, followed through: "Here is my latest project. 1938 Business Coupe / Camper Special. (I'm still working on the inside details. Air mattress, pillow, blanket, etc.) I received a first place in the Stock category at this car show."

Cascade Pacific Plymouth Club Technical Committee 2016

July's Mayflower destination is really big art show in Salem

By Mindy Benfield

Mayflowers to visit the Salem Art Fair and Festival on July 15, 2016

On Friday July 15th, the Mayflowers will meet at the front entrance area of the Salem Art Festival at 10AM. It is located off of Mission Street in the Bush Pasture Park behind the Bush House Museum. Admission is \$5.00. We will be able to buy lunch from one of the many booths in the park.

Six CPPC members – seven, counting Bruce Kerslake, who also counts as a Studebaker Club member – joined a similar number from the Studebaker Drivers Club in a tour of the Cedar Creek Grist Mill on May 21.

Bruce reports: "We left the Gee Creek Rest Area at 10:15 proceeding by back roads to the Cedar Creek Grist Mill. Three grist mill volunteers presented the history and operation and provided samples of stone ground red and white wheat and cornmeal. Several cookbooks were available for donations as well as the products

We spent just under two hours at the mill and then drove to Amboy for a tasty lunch at Nick's Bar and Grill.

Pat Bernhart declared this was the best tour she's ever been on."

Photo by Jim Wheat.

Don Hufschmid reminds CPPC members that he is available to help with DMV paperwork. Give him a call if you have a question about your car's documentation.

This is the largest festival of its kind in Oregon, attracting almost 35,000 visitors from all over the nation in during its three day run. There are various activities including over 200 artists, two food courts, two entertainment stages and two beer and wine gardens.

Over the past 60+ years, the art fair has grown and is nationally recog-

nized. It has become a significant part of Oregon's culture.

A sign up sheet and map will be provided at the next club meeting. If you can't make it to the meeting and want to go on the tour please contact Mindy Benfield. Her email and phone number are in the CPPC roster.

ABOVE: Taken between rain showers at the Orphan Car Show. BELOW: Mike Bade founds some Plymouths at the Hot Rod Show in Santa Maria, CA earlier in the month.

BODY SHOP & REPAIRS

Joanne Dixon is CPPC's Member Care contact. Please keep her updated about members who need cards, letters, e-mails or phone calls.

Contact Joanne at 360-608-6171 or jojoes@outlook.com.

Pam Ealy says she is doing really well. She has physical therapy twice a week and is happy with the results of the knee replacement surgery so far.

Jeanette Dimick will have another X-Ray on Wednesday, June 15th to see how her knee cap is healing. She is OK but can not bend her leg. She reports she has no pain.

Jerry Becker is much better and wearing compression socks and getting around good. He hopes to attend the June membership meeting.

Retha Harden says she is doing OK. She is walking with a limp but is finally able to get around wearing shoes. No more boots or scooter to deal with. She is able to drive now and will visit her Mom in Kentucky soon. She says she would love to hear from her friends at CPPC and misses everyone and sends her love to all.

Yvonne Westphal recently had cataract surgery with a bit of a scare after the procedure, but is now doing fine. She will have the other surgery in August.

Dolores Call is beginning to feel better after a bout with walking pneumonia but not back to 100% quite yet.

Sharon Tiffany is doing well. She is able to get out for small outings. She has completed the formal physical therapy sessions and will attend exercise classes in Stevenson. She still wears the back brace but only for a couple more months. She will also use a stationary bike at home.

NUTS & BOLTS: Board meeting highlights

*Condensed from minutes taken
by Jim Wheat*

The Board of Directors of Cascade Pacific Plymouth Club met June 14, 2016, at approximately 12:30 p.m. at Bill's Place, 12111 SE 106th Ave, Clackamas, OR 97015.

Present at the meeting were the following Board Members: Bob Westphal, Charman of the Board, Randy Ealy, President, Dolores Call, Treasurer, Gary Rusher, Vice President, Bill Call, Vice President. Committee members: Don Hufschmid, Member at Large, Robin Will, Webmaster/Newsletter, Chuck Willis, Tech Comm., Jerry Dixon, Activities. Guests included, Joanne Dixon, Jim Wheat recorded the minutes.

The May CPPC Board minutes were approved as written.

Treasurer's Report: Dolores Call reviewed the balance sheet and noted that currently 17 members have not yet

paid dues. The report was approved as submitted. Ask any board member for details.

Member at large report: Don Hufschmid is seeking speakers for the general membership meeting. He has a possible speaker to discuss LED lights. Membership is currently around 100. Members that has not paid dues will no longer be on the mailing list for the newsletter.

Activities: Jerry Dixon reported on June and July activities (Calendar, page 3).

The Tech Committee will meet on the 4th Wednesday of each month. Meeting dates will be included in the newsletter and on the website. Meeting location to be announced.

Old Business: Discussed purchase of another car by the Club, the Board will bring it up again at the next meeting. In the meantime we will keep looking for possible project cars.
